Official Hotels gfny.com/hotel

Q: Which hotel is the best choice for me?

If you are traveling to NYC to experience Manhattan and everything New York City has to offer, we strongly recommend staying in a Manhattan hotel.

If you have been to NYC often and are in town only for the race, not for tourism, and want a hotel near the start and finish, we recommend staying in Fort Lee.

Q: NYC has a lot of hotel options. Why should I book an official GFNY hotel?

1. Location: we know what makes sense from a GFNY perspective.
2. They allow bikes in your hotel room, which is rare in NYC.
3. You are around other participants for an impromptu training ride or sharing war stories after the event.
4. Guaranteed availability of a 4am breakfast on raceday to fuel you for the big day.
5. We've done the research; all you need to do is book.
6. The hotels offer discounted rates to you and not a commission to us.

May is a busy month in NYC. Make sure you book your stay now.

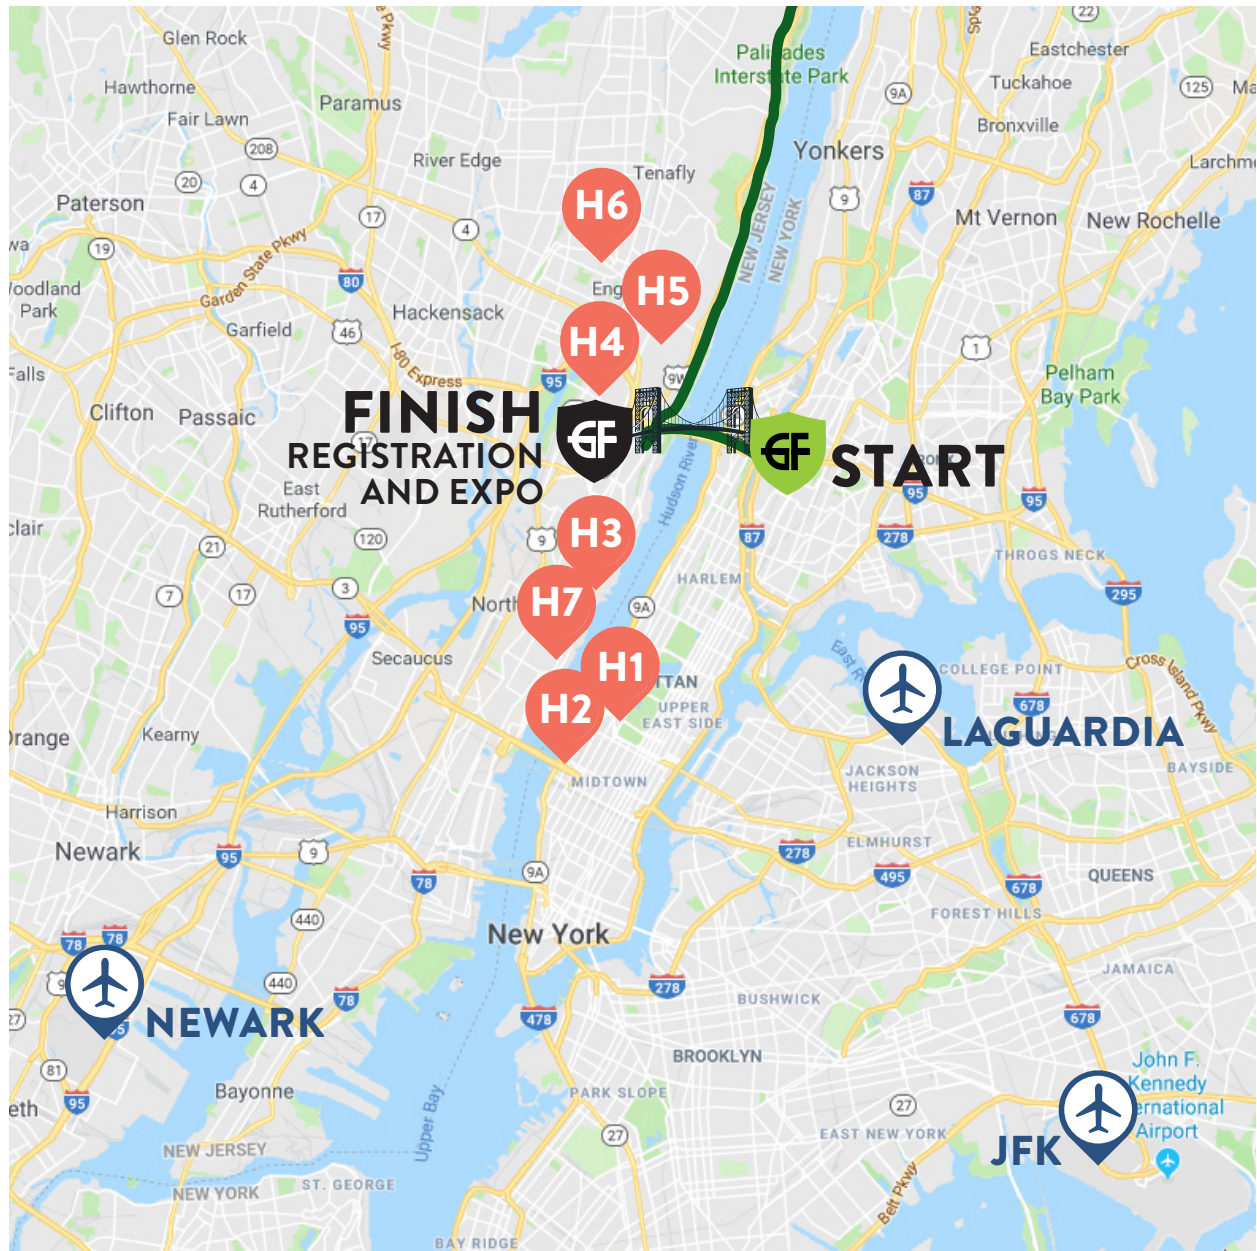

IMPORTANT!

The GFNY room blocks (and their discounted prices) expire APRIL 24 – MAY 1 or when the room blocks sell out, whichever comes first.

Note that the discounted GFNY rooms have all sold out before April in the past few years.

Bike Transport

By bringing your bike to the race, you are sure to ride a bike in the right size, with the components that you prefer and in the condition that you as the owner maintain your beloved bike.

Elite is the official travel case sponsor of the GFNY World Championship. The [Elite Vaison](#) hard case is durable and easy to pack and keeps your bike safe. Click here for an instructional video:

<https://youtu.be/sQlfHd39mgs>

The newest bike case offering from Elite is the [Elite Borson](#) soft bag. It took years to develop and perfect, and makes bike packing a breeze. Click here for an instructional video: <youtu.be/L6tE7Uwg2b4>

The lowest budget (free) option for a bike carton is visiting your local bike shop and picking up a carton box from a bike sale they've just made. Most bike shops just throw out the cardboard cartons and are happy for you to reduce their trash.

American Airlines and Delta now do not charge oversize fees for bikes, making it more affordable than ever to fly with your bike.

Luggage Free is providing you the option to send your bike ahead to your hotel, to Unlimited Biking, or to one of GFNY's partner bike shops. Airport Transfers

If you land at JFK, the budget option is taking the A train. Not all the stations are handicap accessible, which means there aren't elevators to go up/down stairs with your luggage & bike box. If you want to take the subway, check the subway map to make sure there is handicap accessibility at the stations you'll travel through: 1. the stations where you may need to make a connection and 2. the stop closest to you where you're staying. <http://web.mta.info/maps/submap.html>

Here are travel options from all airports by regional trains: <https://nycmap360.com/nyc-airports-map>

Within NYC and its airports, JFK and LGA, the easiest transport option is hailing a yellow taxi. However, May is a high-tourism month in NYC and you may end up having to wait a long time in line to get a taxi. We recommend using either Uber or Lyft apps or scheduling a car service pickup in advance.

Q: I REGISTERED FOR GFNY BEAR 50, BUT I PREFER TO RIDE GFNY 100. IS THAT POSSIBLE?

A: You can transfer your GFNY 100 registration to a GFNY BEAR 50 or your GFNY BEAR 50 registration to GFNY 100 registration at no extra cost until 21 days before race day. To make your distance change, log into your gfny.cc account and click on the "edit" button aside your ticket to make any changes.

Q: I'M TRAVELING FROM ABROAD AND DON'T HAVE US HEALTH INSURANCE. I'M CONCERNED ABOUT IF SOMETHING HAPPENS TO ME DURING MY TRIP AND HOW TO PAY FOR IT.

A: We strongly encourage any rider without a USA-based health insurance to purchase travel insurance and a one-day license from USA Cycling to assist with any potential expenses incurred during your trip or during the event.

TRAVEL INSURANCE: Contact the travel agent or website where you booked your flight or contact your credit card company that you booked your trip with. Travel insurance can cost under \$100 but provides you an insurance policy for your trip, and a variety of services should you need them. Check the terms of the insurance policy to know exactly what is covered.

ONE-DAY LICENSE: GFNY is a sanctioned event under USA Cycling, the national cycling federation. USA Cycling offers one-day and 12-month medical insurance options. Purchasing this extra insurance is optional, but highly encouraged, particularly for riders without US-based health insurance. Visit the Registration Tent at the GFNY pre-race expo to purchase your 1-day license.

Q: I NEED TO CHANGE MY JERSEY SIZE / TEAM AFFILIATION / CATEGORY. HOW CAN I DO THAT?

A: Log into your gfny.cc account and click on the "edit" button aside your ticket to make any changes. Last date to make updates is 22 days before race day.

Q: WHAT IS INCLUDED WITH THE ENTRY FEE?

A: GFNY full zip cycling jersey Designed in New York City and Made in Italy by GFNY, GFNY bike bottle by Elite, GFNY race poster, GFNY race magazine, various GFNY goodies, course marking, aid stations, chip timing, post race meal, competition prizes, bike valet service at the expo and at GFNY Finish Village and much, much more.
